Eileen Menton, President
AAUW-Maryland

Dear President Menton:

On behalf of Chesapeake College, my sincerest congratulations on the 75th Anniversary of the State of Maryland AAUW, which we are so pleased you will be celebrating here on the Eastern Shore. Over the decades AAUW has been a tireless advocate for equity for women and girls. You have been a leader in research and advocacy, changing with the times and leading change.

As new challenges emerge I know that AAUW will again be in the forefront of ensuring that women have equal opportunities for education. As we know, education is the pathway to a better life for individuals and their families. When we change one life we change the path of generations.

Thank you so much for all you do on our behalf.

Yours,

Barbara Viniar
President
