

AAUW Maryland
ANNUAL REPORT OF BYLAWS CHAIR
March 28, 2019

The bylaws of AAUW Maryland and of each branch are in order and consistent with AAUW National Bylaws. This year, two branches have requested advice about their bylaws. Kensington-Rockville asked for an interpretation of one of their bylaws and Howard County asked about a proposed revision to one clause. I consulted with two members in the state about the Howard County change. We agreed that the revision was acceptable. The branch members later voted to change that bylaw.
