

## 2023 AAUW-MD Membership Report

Prepared by Christine Schmitz, VP Membership

In the following pages, you will find the official count of Branch members from National as of February 1, 2023. If you find differences with the counts, you may direct questions to Christine Schmitz at [dialacpa@aol.com](mailto:dialacpa@aol.com) and AAUW National at [connect@aauw.org](mailto:connect@aauw.org).

Also below you will find the most recent Branch dues costs. If you have changed your dues and it is not reflected here, please advise me at [dialacpa@aol.com](mailto:dialacpa@aol.com)

The new National dues rate for the upcoming fiscal year will be \$72.00. To this amount you will need to add the State dues of \$10.00 and your Branch dues. The State dues for students will be \$5.00.

Upcoming dues will be on a rolling basis. Not everyone will renew at the same date.

### **Renewal Notification Opt-Out**

AAUW will plan to send three reminders to each of your eligible members informing them that it's time to renew. The language in the renewal notification informs members that they can renew online or follow the instructions as the branch provides, in case members have been advised to pay by check.

Having National send reminders does not prohibit you from sending follow ups to your members. If you would prefer that National **NOT SEND** renewal reminders to your members at all, please respond accordingly in the survey your finance chair receives. If National does not hear from your branch, reminders will be sent.

### **Setting up ACH Payment Method for Dues/Donations (Replaces Checks sent to National)**

AAUW is making a concerted effort to move all remaining branches online for dues and donations processing after two years of challenges related to missing/mishandled checks. Branches using debit/credit cards are welcome to continue with this method or set up the ACH.
